Dear Mr Andrews

Thank you for your correspondence to the Minister for Transport and Roads about the Transport for NSW Centre for Urban Design. As you may appreciate, the Minister receives thousands of items of correspondence each year. Transport for NSW is therefore responding to you directly. I note you also wrote to the Minister for Regional Transport and Roads and the Minister for Planning and Public Spaces. I trust you will accept this as a response to those approaches as well.

I note your comments and appreciate your concerns.

I am pleased to advise that the Centre for Urban Design has been retained in the new structure of Transport for NSW.

Thank you for taking the time to write.

Yours sincerely
